

OFFICIAL PUBLICATION OF THE CANADIAN ASSOCIATION OF WOODEN MONEY COLLECTORS

VOLUME 22

ISSUE 5

MAY, 1996

EDITOR: Ross Kingdon, 69 Dorchester Dr., Bramalea, Ontario, Canada, L6T 3E5.

**SUCCESSFUL CONVENTION:** The 1996 Ontario Numismatic Association (O.N.A.) convention has come and gone, again, with very successful results. For wood collectors, it was a bonanza. Your editor managed to pick up at least twenty-two new and different issues designed specifically for this show. I have pictured some in this issue and will show the remainder in a future Timber Talk.

The CAWMC meeting on Saturday was well attended and was highlighted by a twenty lot auction which, after all was completed, netted \$100.40 for our CAWMC treasury. Some very good, scarce pieces were up for sale.

Norm Belsten's new supplement of over three hundred newly listed woods (C.N.A. 1994 to Dec. 1995) was available from Norm at a cost of \$5.00 (postage would be extra). Norm indicated that the listing of Canadian woods now surpasses 5750 in total. Norm also has a computer disc available with the wood listing on it. The disc is available for \$20.00 to collectors who bought the original 1990 catalogue, and for others the cost is \$35.00. It is in DOS DBASE 111+ format or ASC11 format. Norm can be reached at 37 Neames Cres. Downsview, Ont. M3L 1K8, or by telephone 416 247-7676.

As this convention was hosted by the Southern Ont. Chapter of CAWMC, its success can be attributed to a lot of work on the part of a few people. They are to be congratulated, and their efforts were successfully rewarded.

Our president **Lou Vesh**, a regular contributor to this newsletter, attended the O.N.A. convention with his wife **Yvonne**. Lou was passing out his new "twoonie" wood. His write-up on it and his St. Patrick's Day wood, can be found on page three of this issue.

### FREE WOODS AND ARTICLES

Yes, we are running low on both free woods, to send out each month, and articles, for publication in this newsletter. When you are getting your next wood made, please consider getting enough *extra* made to send to all members. We would need about 125. As well, don't forget that an award is presented each year, at the wood meeting, held at the C.N.A., for the best published article sent in by one of our members. Let's hear from you. It is your newsletter.

## NEW PUBLICATION AVAILABLE

The third edition of "*Wooden Money of Atlantic Canada*" was released in March of this year. It is a bilingual publication designed to meet the bilingual requirements of the province of New Brunswick and across Canada.

The authors and publishers of this publication, David G. Taylor and Glenn B. Rodger, reside in Fredericton, New Brunswick.

The publication contains 128 pages in English and French, is of soft cover, is 8 1/2" x 11", and lists all wooden nickels and flats researched in Atlantic Canada since 1989.

To receive the publication, send \$15.00 Canadian or \$12.00 U.S., postage included, to:

Atlantex Publications  
165 Phillips Drive  
Fredericton, N.B.

### FREE WOOD OF THE MONTH

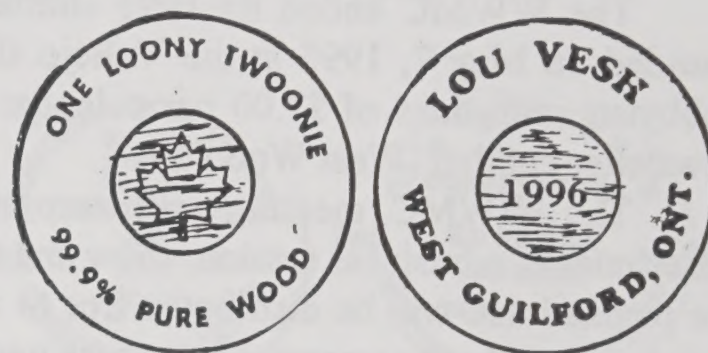

The free wood for this month was given to me, by member, Pat White of Newmarket, Ontario. The wood is shown in actual size and has an obverse in blue and the reverse in red. It is a twentieth anniversary wood made in 1988 for the Camp Forces Base Borden which is located just south and west of Barrie, Ontario. This Forces Base is still a very active training base for troops even today. The wood is listed in Norm Belsten's catalogue under Ontario 5162-096. Thanks for the donation, Pat.

## MY WOODEN NICKEL'S WORTH.....by Lou Vesh

It was only a matter of time before the new two dollar coin would be duplicated in wood. It's a looney idea but I couldn't resist it. As of the time of this writing I am not aware of anyone else attempting this feat. Not that it's a brilliant achievement but making up 300 blanks was a real pain! For the benefit of our American friends who may not yet be aware of Canada's new \$2 coin, the notable feature of this piece is that it is made up of a small "coin" inserted into a hole in the centre of a larger coin.

In order to simulate this feature in the wood shown at right, it was necessary to drill a hole (I chose 5/8" dia.) in the centre of each blank. Then a plug of a different shade of wood had to be made up and glued into the hole. Black walnut was available and provided a nice contrast with the maple blank. *Sounds* easy enough, but sometimes one's sanity is marginal when attempting such projects.

During the week preceding St. Patrick's Day the wood shown at left was received with considerable enthusiasm. For example, each of the 42 passengers on a bus tour out of Barrie, Ont. en route to an Irish musical show in Hamilton received one of these woods. Many collectors have already received both these woods through meetings at the O.N.A. in April, and other trading activities. I made ample quantities of both so as to have enough for trading with other collectors at the upcoming C.N.A. show in Montreal in July.

\* \* \* \* \*

The recent O.N.A. show held at the Holiday Inn, Yorkdale, Toronto, and hosted by the Southern Ontario Chapter of C.A.W.M.C. was a great success. This must be the first time that "wood" has hosted "silver and gold". The members the S.O.C. are to be commended for their hard work and dedication.

### Western Wooden Money Club (WWMC) To Hold Fourth Meeting

The newly formed Western Wooden Money Club will hold its fourth meeting and *first anniversary meeting* on Sunday, May 5, 1996, at the all-day, multi-event Vallejo Coin and Collectibles Show. This meeting will be at the site of Dan Foley Cultural Center, Dan Foley Park, Tuolumne St. and End North Camino Alto, near Sereno Dr. and Tuolumne St., in Vallejo, California. There is a \$2.00 parking charge within the park. Show hours are 9:00am to 5:00pm, and the WWMC will gather at 1:00pm on the stage of the main Lake Room.

This show has many events including bourse, exhibits, drawings, collector meetings and much more. Admission is free and the WWMC meeting is open to all show visitors and fellow wooden money hobbyists.

The WWMC ended its 1995 charter year with sixty-four charter members. It was founded on May 7, 1995 at the Vallejo show. Membership is open to all wooden money hobbyists with dues of \$7.00 per calendar year. The club publishes a multi-page quarterly newsletter entitled 'West Wood'.

The WWMC meeting will recognize the Club's first anniversary with special refreshments, a business session, show and tell and an auction. Special commemorative woods are planned and will be distributed free to all those in attendance. The recently adopted new club logo will be incorporated into these new woods.

Inquiries regarding the Club, its newsletter and membership may be directed to P.O. Box 3467, Fairfield, California, 94533-0467. (Phone # 707-427-0482)

Pictured here are woods which were received by your editor while attending the recent O.N.A. convention in North York, Toronto. The woods with the common obverse of the 'North Yonge St. radial car', were made by Norm Belsten of Downsview, Ont. All woods are shown in actual size with the obverse colour to the left of each wood and the reverse colour to the right.

More woods from the O.N.A.

Made by Canada Wide Woods:

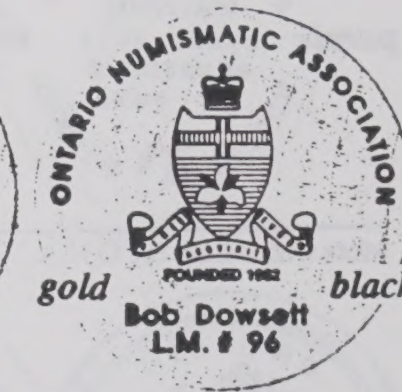

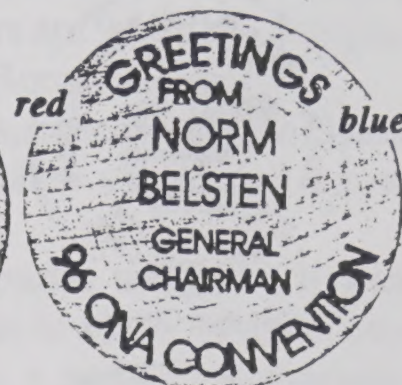

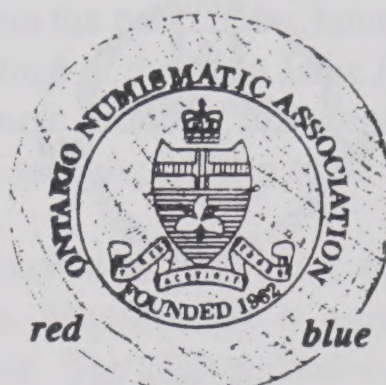

Pictured here are more of the woods your editor received at the recent O.N.A. convention in Toronto. Again, the obverse colour is shown to the left of each wood and the reverse colour to the right. Gary Oblinsky had two woods with the same obverse colour but different reverse colour. Jerry Remick's two different coloured woods were shown in last month's Timber Talk. All of these woods are shown in actual size and were made by Canada Wide Woods.
